

# CLSC RULE FOR USES OF INDOOR RANGE

1. Members must possess their membership cards at all times while using the Indoor Range. Any member may ask to see a user's membership card which must be produced upon request.

2. No alcohol or illegal drugs are permitted in the indoor range at any time, under any circumstances.

a. Persons using or under the influence of alcohol, illegal drugs, over the counter medication, or prescription drugs which may adversely affect the safe handling/shooting of a firearm are prohibited from using the Indoor Range while under their influence.

b. **RSOs**, at their discretion, can ask anyone whom in their opinion is unsafe to handle a firearm, to leave the range.

3. The Indoor Range is for use by Key Code Holders on a first come, first serve basis whenever there is no activity scheduled. Shooters must use the relay system when there are more shooters than firing points. Shooters must come to an agreement when it comes to the establishment of the shooting distance. If no agreement can be reached the party arriving first will yield the range no more than 1 hour after the arrival of the second group.

4. The CLSC Board of Directors shall designate times for the various disciplines using the range to have exclusive use of the range. During these times, no other use will be permitted.

5. These rules are subject to change at any time with the approval of the Board of

Directors. Any changes will be posted.

6. Key Code Holders are responsible for the cost of any damage they or their guests cause.

7. The Indoor Range is closed during any meeting or class at the request of the Chief

Instructor or person conducting the class or meeting.

**8. Shooters are required to follow ALL Indoor Range Rules and instructions for operation and use.**

**Firearms and Ammunition:**

1. No firearm prohibited by law, automatic weapons, black powder/percussion firearms of any kind, or any unsafe firearm shall be present at the range nor shall any firearm be operated in an illegal or unsafe manner. Individuals who by law cannot possess a firearm shall not use a firearm while on association property.

**2. No incendiary, exploding, tracer, armor piercing ammunition shall be fired in the Indoor Range.**

**3. Ammunition specifically prohibited from the Indoor Range.**

Rifle rounds chambered in handguns

Shotgun Slugs

Full Magnum Handgun loads

Shotgun shells (handguns included)

Any centerfire ammunition with a muzzle velocity that exceeds 1350 fps

And no steel BB guns

4. The following are the only firearm ammunition permitted on the Indoor Range:

.22lr caliber rimfire rifle and handguns

Centerfire handgun calibers in:

25 auto,32auto,32naa,32h&r,380auto,9mm,357sig,38special,40S&W,10mm,44special, 45acp.

Air pellet rifles and pistols

5. Only the following ammunition is permitted in center fire handguns:

Lead bullets with copper wash

Lead bullets with copper plating

Lead bullets with polymer coatings

Frangible ammunition

Jacketed soft points, hollow points, or full metal jackets

6. Only the following ammunition is permitted in Air Rifles and Air Pistols:

lead pellets

7. Contact the RSO if you have any doubt about the ammunition to be used.

Damage to the Rubber Bullet Trap can cause the shutdown of the Indoor Range and costly repairs. Please use your good judgment before using any questionable ammunition in the Indoor Range.

**Shooting Rules:**

1. A "Safety Line/Firing Line" will be established by those using the Indoor Range.

The "Safety Line/Firing Line" will be defined by the use of:

The moveable shooting positions

Tables

Barricades or any place or object designated by a Chief RSO

2. NO LOADED FIREARM shall be handled anywhere inside the Indoor Range except at the "Safety Line" or "Firing Line" and then only when no one is down range.

3. NO UNLOADED FIREARM shall be handled when anyone is down range except in

designated safety areas established by the Chief RSO who is in charge of the range.

4. RSOs have absolute control over the shooting activities while the range is in use.

Shooters must obey any and all commands issued by an RSO. Failure to do so will be cause for suspension or revocation of range privileges.

5. When a "Cease Fire" is called:

Stop shooting immediately, remove your finger from the trigger, hold in place and await further instructions.

6. Eye and Ear protection are mandatory while inside the Indoor Range while shooting is in progress.

7. Loud talking or other distractions are discouraged while people are shooting.

Spectators will be in a designated area while shooting is in progress.

8. Firearms not in use must be unloaded and cased or unloaded with the action open at the Safety Line/Firing Line, holstered or other location as designated by the Chief RSO.

9. No one shall go forward of the firing line while any firearm is being handled, loaded nor until every shooter has confirmed that their firearm is empty ("clear") or in the case of a "hot line" holstered.

10. Before beginning a shooting session each shooter is required to:

Fill out the log sheet

Turn on all lighting and fan

Close the Indoor Range door

After signing in, non-Key code Holders shall deposit \$3.00 fee into the range box.

Inspect the entire range for damage, heat left on, vents left open, and anything else out of place.

Any new, previously undocumented damage should be reported .

11. Firearms shall be discharged only at or in front of the designated Firing Line/Safety Line as dictated by shooting conditions. Firearms will be discharged so that the bullets impact the steel backstop and then into the traps after passing through the target.

## **TARGETS**

1. Targets may be of paper, cardboard. Targets must be of such design that a bullet will pass through the target. No target may be used that may cause a ricochet or cause the bullet to impact anywhere other than the Rubber Bullet Trap. Metallic or exploding or any other target which may cause a hazard to the shooter, spectators or damage to the Indoor Range shall not be used. If there is any question of the appropriateness of any target please call clubs RSO before use.

2. Targets are to be posted to Rubber bullet trap with a staple gun. Staple gun is located in the indoor range cabinet.

3. Due to health and safety considerations eating, drinking, gum chewing and tobacco products are not allowed while in the Indoor Range.

4. Upon completion of a shooting session, shooters are required to:

Pick up all empty brass, used targets, and other debris.

Recheck the range for any damage.

Turn off the fan

Turn off all lights.

Sign out in the log book.

Lock the Indoor Range door.

Wash hands thoroughly before leaving.

5. Failure to Sign-in, Sign-out and inspect the range may lead to the suspension of range privileges.

**Range Safety:**

1. All members are requested to help all novice shooters or guest shooters, to explain use of the firearms, range rules, and to give all advice and instructions possible.

**2. The following range safety rules are to be followed at all times:**

- a. Keep the gun muzzle pointed in a safe direction.
- b. Keep your finger off the trigger until you are ready to shoot.
- c. Keep your firearm unloaded until ready for use.
- d. Be sure the firearm is safe to operate.
- e. Know how to safely use your firearms.
- f. Be sure your firearm and ammunition are compatible and safe to shoot.

Repeated occurrences will result in revocation of range privileges.
